Your Career, Our Support

What makes ConnexEdge different is our personalised approach. We take the time to understand your skills, strengths, and career goals so you can walk away with a clear, actionable plan for your job search. From refining your CV and LinkedIn to building your confidence and interview readiness, we equip you with the tools and strategies to take control of your career and pursue opportunities with clarity and confidence.

Get noticed. Get confident. Get hired

How it works

You're not starting from zero. We help you build from where you are.

Your ConnexEdge consultation includes a **two-hour one-on-one session** with an executive-level consultant, where we will help you craft a bespoke strategy that helps you land that job.

We will also provide you with a tailored CV, optimise your LinkedIn profile and provide you with practical tools to help you put your strategy into action. You will join our online community and receive ongoing tips and advice on everything from interview techniques and offer negotiation through to upcoming networking events!

Who it's for

We meet you where you are and guide you to where you want to be.

Whether you're:

- New to Australia and unsure where to begin
- A graduate or international student trying to get traction
- Mid-career and stuck in a cycle of silent rejections
- Feeling overlooked despite your experience

You're not alone, and you're not the problem.

You just need the right approach, and someone in your corner.
